Perseverance

This term we will be focussing in school on the value PERSEVERANCE.

We hope your family will find these ideas helpful as you explore the value and have fun together.

The Widow Who Never Gave Up

There was once a judge living in a town just like this one, said Jesus to the crowd of people who were listening to him and hanging on his every word.

This judge did not care much about God or justice. The crowd muttered to one another and smiled knowingly, they all knew judges like him! A poor widow, called Sarah, lived in the same town. She was being treated badly by her neighbour who was making her life very difficult indeed.

Sarah went to the judge to ask him to hear her case and give her justice.

At first the judge tried to ignore her. Silly old woman he thought. Why won't she leave me alone. Doesn't she realise that I have more important things to deal with?

But Sarah **persevered**. You are my only hope she told the judge. You must help me. Day after day she went to see him.

In the end, the judge was so exasperated that he thought to himself I will never get a minutes peace unless I help this old woman.

Finally he let her explain to him the problems that she was facing and agreed that Sarah's neighbour was indeed behaving very badly and must be made to stop at once. Sarah's **perseverance** paid off and eventually she got the justice she deserved.

So keep **persevering** and keep praying said Jesus to the crowd.

TALK TOGETHER about Perseverance

Teachers often say that **perseverance** is something that many children find difficult.

Very little that is really worthwhile in life can be achieved without **perseverance**. An athlete may train for years before they are ready to compete at the highest level. A musician must practice every day, sometimes for hours at a time, if they are to really master their instrument.

- How would each family member rate themselves on a scale of 1- 10 at **perseverance**?
- Can you give an example of something you have achieved by determined **perseverance**?
- Is there a skill that you think you could improve with **perseverance**?

HOME-SCHOOL

CHALLENGE

Mosaics are one of the oldest ways to make art. People have been arranging tiny coloured pieces of glass or pottery for thousands of years to create beautiful designs. But the process is time consuming and needs lots of **perseverance**. This term's Home-School Challenge is to make a mosaic picture (no bigger than A3 – 29x42cm) using small pieces of coloured paper. The subject of your mosaic is up to you. It could be a pattern or a picture.

All the pictures submitted will be displayed in our school Challenge Gallery.

FAMILY

FOCUS

The Perseverance Challenge

Ask each member of the family to write (on identical pieces of paper) a challenge that will require **perseverance** to complete. Fold the paper 4 times and place it in a bag with the others. Invite each person to place their hand into the bag (whilst looking the other way) and pick out a challenge which they have one week to complete. (Think carefully about the challenge you set and if possible make it a worthwhile and useful thing to do).
